## NATIONAL SEMINAR ON DISASTER MITIGATION IN HOUSING IN INDIA: AN AGENDA FOR FUTURE

19th & 20th March 2010

Organized by

CENTRE OF EXCELLENCE  
IN  
DISASTER MITIGATION AND MANAGEMENT  
&  
INDIAN INSTITUTE OF TECHNOLOGY  
ROORKEE

**The Centre of Excellence in Disaster Mitigation and Management, Indian Institute of Technology, Roorkee** is organizing a Research Conference on “**Disaster Mitigation in Housing in India: an Agenda for Future**”. The Research Conference, a year-long initiative, is the culmination of the previous seminar activities: “**Housing and Disaster Mitigation Efforts in India: Case Studies**” and “**Research activities in Disaster Mitigation for Housing in India**” held during 18<sup>th</sup> April, 2009 and 22<sup>nd</sup> -23<sup>rd</sup> August, 2009 respectively.

The First seminar focused on experiences of disaster mitigation efforts in housing and helped to record the past and present mitigation efforts, while the Second aimed at bringing researchers on a common discussion platform to disseminate their research experiences. The proposed Research Conference on Disaster Mitigation in Housing is being held to summarize the above efforts, and to develop streamlined research and action programme for Disaster Mitigation in Housing in India for 21<sup>st</sup> Century. This would enhance research and extension potential in developing resilient Indian society.

#### **CALL FOR TECHNICAL PAPERS:**

Papers are being invited by the subject experts in the relevant area. Authors who wish to contribute paper(s) related to any of the theme(s) mentioned are requested to send full-length paper to Dr. Mahua Mukherjee, The Organizing Secretary, HDM-2009, Centre of Excellence in Disaster Mitigation and Management, Indian Institute of Technology, Roorkee, India-247667, by **1<sup>st</sup> March, 2010** either by E-mail or by post. The content of the paper

should include preferably research and extension efforts on any of the conference themes. The Paper will be accepted after reviewing by the Expert Committee.

#### **ABOUT IIT ROORKEE**

The Indian Institute of Technology Roorkee is the oldest technical Institution of the country. It was established as Roorkee College in 1847 and rechristened as the Thomason College of Civil Engineering in 1854. In recognition to its yeoman contribution in the development of the country, it was elevated to the status of a University in 1949 and became the University of Roorkee – the first technical university in India. On September 21, 2001, the University of Roorkee was converted to an Institution of National importance and given its present status. IIT Roorkee has academic departments in the areas of Architecture & Planning, Engineering, Management, Sciences, the Humanities and Social Sciences.

#### **ABOUT COEDMM**

The Centre of Excellence in Disaster Mitigation & Management (CoEDMM) was established by the Indian Institute of Technology, Roorkee with the mission to prepare a disaster resilient community in the year of 2006. The objective of the Centre is to study behavior of Natural hazards and their impact on human life in Indian context. The Centre proposes to conduct a post graduate programme in the areas of natural / man made hazards causing disasters.
