Dear Candidate,

As you know the 1st round of written test cum counselling for all Postgraduate programmes was scheduled from 31.5.2010 to 3.6.2010. It was observed that few seats are still vacant in the two programmes of Electrical Engineering i.e. (Code 27-Electric Drives & Power Electronics, and Code 29-Power System Engineering) due to non availability of Electrical GATE discipline candidates. Consequently the Institute has decided to go for 2nd round of written test cum counselling for these two specializations only for those who have Electrical GATE discipline.

You are therefore found eligible for written test cum counselling for admission to Postgraduate programme in **Electrical Engineering Department (EED)** as per the choice(s) given by you in your application form and are advised to attend the same if you wish to avail a chance. It is pertinent to note that in case you are selected after written test cum counselling, you will only be considered for the specialization given above for the remaining seats. The schedule for the same is as under:

Electrical Engineering	EED	27.06.2010	9.00 -11.00 A.M.	New Examination Hall (NCC Building)	27.06.2010 at 4.00 p.m.

Note: The candidate who has already admitted/waitlisted with Electrical Engineering back ground and Electrical GATE discipline needs not to bring another demand draft.
