Sub. : **Innovation Hub at INFOCOM - 2011** हस्ताक्षर / Signature

Dear Sir/Madam,

Birla Industrial and Technological Museum is the eastern zonal headquarters of National Council of Science Museums. It gives us great pleasure to inform you that The Telegraph, the largest circulated English Daily in the East and National Council of Science Museums (NCSM), the premier organization of 27 science museums/centres nationwide, under the Ministry of Culture, Govt. of India are proud to present **Innovation Hub at INFOCOM - 2011**, the largest ICT exposition in the country, to be held in Kolkata in January, 2011.

The Innovation Hub at INFOCOM - 2011 will offer space for 30 new, innovative projects to be exhibited before a gathering of the hottest honchos of India Inc. So, if you think you have talents in your Institutes to make it to the shortlist, this is the chance to bring recognition to the students as well as your Institute.

Students of any science or engineering college from any part of the country can participate in this competitive fair of science-technology with projects developed individually or in a team of 3 students. An individual or a group of 3 students can submit only one project. Interested students of your college can submit the project outlines (within 500 words) with supporting designs/sketches/photographs, duly authenticated by you to **The Director, Birla Industrial and Technological Museum (National Council of Science Museums), 19 A, Gurusaday Road, Kolkata-700019** latest by **January 16, 2011**. Our expert panel of reputed scientists and technologists will examine all the projects and shortlist projects on the basis of their innovativeness. Students with such innovative projects will be invited to present their projects at the above address for further evaluation by a panel of experts. Finally, 30 projects, shortlisted from all over the country, will be invited to display them at the Innovation Hub of the INFOCOM - 2011. Each individual/team will be given a space 6 sq. mtr. to showcase and demonstrate the project.

In INFOCOM - 2011,
First prize: Rs.20,000/-
Second Prize: Rs. 15,000/-
Third Prize: Rs.10,000/-

More than 20,000 footfalls were registered in the INFOCOM - 2010.

For any further details you may contact on 033-22812654/22877241-43 or mail at bitm@cal2.vsnl.net.in or see website: www.bitmcal.org.

We wish your students good luck in their endeavour to make your Institute proud.

With regards,

Yours sincerely,

(Shivaprasad Khened)
